Re: AT&T Corp. v. Atos IT Solutions and Services, Inc., No. 21-cv-4550 (S.D.N.Y.)

Dear Judge Woods:

This firm represents Plaintiff AT&T Corp. (“AT&T”) in the above-referenced action. We write pursuant to Rule 1.E of Your Honor’s Individual Rules of Practice in Civil Cases to respectfully request an extension of AT&T’s time to respond to the Answer and Counterclaims of Defendant Atos IT Solutions and Services, Inc. (“Atos” or “Defendant”) from September 3, 2021, to October 18, 2021. Atos does not object to AT&T’s request or the proposed adjournment of the Case Management Conference discussed further below.

By way of background, Atos just filed its counterclaims to the Complaint on August 13, 2021. This is AT&T’s first request for an extension and is made to enable counsel sufficient time to evaluate Atos’ counterclaims and prepare its response and in light of certain competing deadlines faced by AT&T’s counsel. In light of the proposed adjournment, we also respectfully request that the Court adjourn the Initial Case Management Conference, currently scheduled for September 3, 2021 (to which the deadline for submission of a proposed Case Management Order is tied) to a date of the Court’s choosing following the filing of AT&T’s response to Defendant’s counterclaims.

We thank the Court for its attention to this matter.

Respectfully submitted,

Jonathan D. Pressment
